THE DPS SOCIETY

The Delhi Public School Society is a non-profit, non-proprietary educational organisation. Its global network of more than 200 English-medium, co-educational and secular schools offers education from Pre-Nursery to Class XII. With a presence across continents, the DPS family is more than a collection of institutions; it is a community bound by shared values, sound systems, and enduring relationships.

Guided by a clear vision for more than six decades, the Society has become a respected centre of learning and a benchmark for educational quality. It remains committed to developing young minds and encouraging initiative, and its family continues to grow each year.

CHAIRPERSON
BOARD OF MANAGEMENT,
DPS DEOGHAR

Mr Sanjeev Kumar
PRO-VICE CHAIRMAN
DPS DEOGHAR

Every child has a story worth nurturing.

At Delhi Public School, Deoghar, we envision education as more than academic preparation. It is an opportunity to cultivate curiosity, confidence, character and a lasting enthusiasm for learning.

We aim to create a caring and disciplined environment in which children feel encouraged to ask questions, explore ideas, collaborate with others and discover their individual strengths. Our guiding motto, “Service Before Self”, reflects the importance we place on integrity, empathy and responsible citizenship.

A MESSAGE TO PARENTS

Dear Parents and Guardians,

A meaningful school experience helps children grow intellectually, emotionally, socially and physically. At DPS Deoghar, we aspire to combine strong foundations in language and numeracy with creativity, scientific inquiry, physical fitness, and values-based education.

We recognise that each learner progresses differently. Through attentive teaching and a constructive partnership with families, we seek to make every school day purposeful and rewarding.

We look forward to working with you to support your child's aspirations and achievements.

Warm regards,

Headmistress

Delhi Public School, Deoghar

LEARNING WITH PURPOSE

Motto

DPS Deoghar is founded on the principle of unwavering integrity and is guided by its motto, “**Service Before Self**”.

Vision

Delhi Public School strives to provide its students with the finest holistic education. Our pursuit of excellence is rooted in developing integrity, honesty, trust and compassion, the values embodied in our motto, 'Service Before Self'. We are committed to:

- strengthening a culture of academic excellence;
- building character through teamwork, physical development and leadership;
- instilling a spirit of patriotism, social equality and communal harmony;
- developing a keen sensitivity towards the environment;
- helping students embrace technology while remaining rooted in our values and cultural heritage; and
- preparing students for higher education and for excellence in sports and games.

Mission

Creating an Environment Where Every Child's Natural Curiosity Flourishes

The strength of education at DPS Deoghar lies in a creative and innovative atmosphere that encourages students to question, experiment and seek the truth with determination and a spirit of fellowship. Led by highly qualified and dedicated staff, the school offers a wide range of activities and interests. Cultural, literary and co-curricular programmes, together with an extensive choice of games and sports, help each student discover and develop their individual talents.

- Student development is fostered across the intellectual, social, emotional, physical, spiritual and aesthetic domains.
- Student achievement is inspired by recognising success within the school and the wider community.
- We encourage student learning through a spirit of enquiry and healthy competition.
- Student growth is promoted through teamwork, career guidance and counselling.
- Student progress is supported through a strong, mutually beneficial partnership between school and parents.

OUR UNIQUE PEDAGOGY

Our curriculum is designed to support each child's intellectual, cognitive, physical, socio-emotional and spiritual growth, ensuring well-rounded development. Aligned with the National Education Policy (NEP) 2020 and the National Curriculum Framework, it emphasises experiential, enquiry-based and competency-based learning.

Learning across stages

- Foundational: play, stories, exploration, early language and numeracy.
- Preparatory: interactive lessons, reading, reasoning and creative expression.
- Middle: subject enquiry, collaborative projects and practical learning.

OUR EXCELLENCE

We help every child discover their true potential and reach new milestones of personal achievement. We cultivate the determination to succeed, the drive to excel and the inspiration to aim ever higher.

BEST-IN-CLASS INFRASTRUCTURE

Our modern, student-friendly infrastructure is designed to support effective and engaging learning.

HOLISTIC DEVELOPMENT

Our well-structured educational approach supports the all-round development of every child, recognising that each one is unique.

PERSONAL ATTENTION

We closely monitor each student's progress so that every child gains the skills and confidence to meet life's challenges successfully.

SAFE CAMPUS

Our well-equipped campus is safe, green and monitored by CCTV. The campus is environmentally friendly and home to hundreds of varieties of plants and trees.

OUR STRENGTH

Truth First: Building Academics on Truth, Shaping a Stronger Tomorrow. At DPS Deoghar, truth is the foundation of trust, reliability and academic excellence. We foster a culture of honesty, integrity and ethical learning that helps students grow in both knowledge and character. Through strong values and a commitment to excellence, we prepare responsible individuals for a brighter future. Rooted in Truth, Rising with Excellence.

OUR VISION

To nurture informed, principled and confident learners who think independently, respect diversity, embrace innovation and contribute to society with empathy and integrity.

Our commitments

- Academic rigour grounded in conceptual understanding and enquiry.
- Character, leadership and teamwork shaped by everyday practice.
- Creativity, communication, physical fitness and emotional well-being.
- Responsible use of technology and care for the environment.
- A strong partnership between students, educators and families.

WHY DPS DEOGHAR?

DPS Deoghar is a community of learners, made up of students, parents and staff, committed to an academically rigorous, caring and inclusive learning environment. We aim to provide a safe, disciplined setting where every student can realise their full potential. Our students, known as Dipsites, are goal-oriented, critical thinkers and emerging community leaders who hold themselves to the highest standards of integrity and academic achievement.

What makes DPS Deoghar the right choice for your child?

DPS Deoghar was established in April 2026. It is an English-medium, co-educational school run by the Delhi Public School Society, New Delhi, a non-profit society registered under the Societies Registration Act, 1860. The Society's members include eminent educationists, jurists, engineers and administrators. In keeping with the tradition of Delhi Public Schools in India and abroad, DPS Deoghar has excelled in providing holistic education.

Following the national CBSE curriculum, the school fosters excellence in a spacious, open campus and nurtures children's natural ability to learn by developing their cognitive and critical-thinking skills. Beyond academics, students are given ample opportunity to pursue their interests in sports, the performing and visual arts, public speaking and other creative fields.

A safe, supportive place to grow

Personal attention

We seek to recognise each learner's strengths and areas for growth through classroom engagement, feedback and age-appropriate assessment. Progress means developing understanding, confidence, and the ability to improve.

Student well-being.

Positive relationships, attentive supervision and respectful communication form the basis of a supportive learning culture.

Partnership with parents

Children thrive when home and school work together. Regular communication, constructive feedback and shared expectations help establish positive routines for learning, attendance and well-being.

BEYOND THE TEXTBOOK

A balanced education creates space for both achievement and discovery. Students benefit from opportunities to express themselves, pursue interests, work in teams and engage with their community.

Creative expression

Visual arts, craft, music, dance, theatre and storytelling can develop imagination, discipline and confidence.

Communication and leadership

Reading, elocution, debate, public speaking and collaborative activities encourage students to articulate ideas thoughtfully and listen with respect.

Sports and well-being

Age-appropriate physical education, games, fitness and wellness activities support resilience, teamwork and healthy habits.

Technology with responsibility

Purposeful digital learning can strengthen computational thinking, creativity, problem-solving and digital citizenship. Technology is most valuable when it enriches—not replaces—meaningful teaching.

Learning through service

Environmental awareness and community participation encourage children to look beyond themselves and act with consideration for others.

ADMISSIONS 2027–28

Admissions

Admissions are open for Pre-Nursery to Class VIII. The school seeks to develop students who excel academically and who demonstrate sound social and ethical values, skills and attitudes. The admission process is therefore designed to assess both aptitude and attitude. In addition to evaluating subject proficiency and problem-solving skills, it gives insight into each applicant's values and decision-making, allowing us to understand every child holistically.

Registration

The online registration link for admission to the 2027–28 academic session is available on the school website www.dpsdeoghar.com.

Parents should log in to the school website and complete every section of the Registration Form, after which a Registration Number will be generated. Within three working days of online registration, parents must submit a printed copy of the completed form at the school office, with recent passport-size colour photographs of the candidate, father and mother affixed in the spaces provided, together with the registration fee.

Registration and Admission Guidelines

Parents are advised to read the Prospectus available on the school website carefully before completing the Registration Form.

All applications will be scrutinised, and only complete applications will be considered for the Observation/Assessment. The date and time of the assessment, along with the Admit Card, will be communicated to eligible applicants against their Online Registration Number.

Submission of a Registration Form does not guarantee admission. Admission is subject to successful completion of the prescribed Observation-cum-Interaction or Assessment and to seat availability in the concerned class.

- The admission fee must be paid online or by crossed cheque/demand draft.
- Registration and admission fees paid for a particular year are neither refundable nor transferable to a subsequent academic year.
- The admission fee will not be refunded if a student withdraws after admission.
- Eligibility for each class is determined by the child's age, in accordance with CBSE norms.

Documents Required at the Time of Admission

Please submit the following:

1. School Leaving/Transfer Certificate and the previous year's Report Card (mandatory for admission to Class II and above).
2. Medical Certificate in the prescribed format.
3. Original Birth Certificate (for verification only).
4. Recent passport-size colour photographs of the candidate and both parents.
5. A copy of the candidate's Aadhaar Card.
6. Permanent Education Number (PEN), If applicable

Please note: Admission will be cancelled if any discrepancy is found between the details given in the Registration Form and the documents submitted.

AGE ELIGIBILITY

Eligibility for admission to each class is based on the applicant's age as on 31 March 2027, as recorded in the Birth Certificate.

The recommended age criteria for admission to the primary classes are as follows:

S.No.	Class	AGE CRITERIA	BORN BETWEEN
1	Pre-Nursery	3 – 4 yrs.	01.04.2023 - 31.03.2024
2	Nursery	4 – 5 yrs.	01.04.2022 - 31.03.2023
3	Preparatory	5 – 6 yrs.	01.04.2021 - 31.03.2022
4	Class I	6 – 7 yrs.	01.04.2020 - 31.03.2021
5	Class II	7 – 8 yrs.	01.04.2019 - 31.03.2020

Together we will achieve new heights!

A child's growth is best supported when teachers and parents partner to create an environment that nurtures the child's intellectual, emotional, and physical well-being. While teachers can make a profound difference in a child's life, parents play an equally vital role. When home and school work together as a team, the benefits for a child's future are immeasurable.

From possibility to purpose

The school years are a journey of discovery. Children learn to think, communicate, create, care for others and respond to new challenges. These qualities will serve them long after their examinations are over.

At DPS Deoghar, we aspire to build a community where every child is known, encouraged, and inspired to grow—academically, personally, and as a responsible member of society.

ADMISSIONS PROCESS

Following the Observation/Assessment, a list of successful candidates will be displayed on the school notice board. Parents of selected candidates must visit the school office to complete admission formalities, including paying the prescribed fees and submitting the required documents.

OBSERVATION-CUM-INTERACTION: PRE-NURSERY TO CLASS II

Admission to Pre-Nursery, Nursery, Preparatory, Class I and Class II will be based on an Observation-cum-Interaction session, at which both parents must be present.

Parents must bring both copies of the Admit Card on the date and at the time stated. The candidate's copy will be handed to the Teacher-in-Charge, and parents will retain the Parent's Copy to collect their ward at the end of the session.

ASSESSMENT AND INTERACTION: CLASSES III TO VIII

Candidates for Classes III to VIII will take a written assessment, followed by an interaction session. Both parents must be present at the school on the scheduled day.

- Parents must bring the Admit Card on the date and at the time stated.
- The entire process may take three to four hours, and parents are advised to plan accordingly.
- Before the assessment begins, parents must hand the candidate's Admit Card to the concerned In-Charge.

SYLLABUS OF THE ASSESSMENT

The admission assessment has been designed by a team of experienced educators and psychologists to be stress-free for children.

TRANSPORT FACILITY

School transport covers the main and feeder routes. Bus routes are determined at the start of each academic year based on demand, and the school reserves the right to revise them as required. Parents will be informed of the routes during orientation.

Continuity of enrollment

A student's enrollment will remain active until the school receives a formal written application from the parent/guardian requesting a Transfer Certificate (TC). Verbal communication, absence from school or non-payment of fees will not be treated as a request for withdrawal.

Fee Liability Until TC Application

All school fees remain payable up to and including the date on which the written TC application is received by the school office, regardless of the student's attendance during that period. This policy prevents seat blocking and ensures administrative and statutory compliance.

Timely Submission of TC Application

Parents or guardians seeking withdrawal must submit a written request for a Transfer Certificate through either of the following:

1. In person at the school office; or
2. Through the school's official email ID.

Submit the request promptly to ensure timely processing and avoid unnecessary continuation of fee liability.

FEE STRUCTURE

Fee Details 2027-28

FEE STRUCTURE FOR CLASSES PRE-NURSERY TO VIII

S.NO.	FEE BREAK-UP	FREQUENCY	PAYABLE	AMOUNT (Rs.)
REGISTRATION AND PROCESSING CHARGES				
1	Registration and Processing Fee	One Time	At the time of submission of the online/printed Registration form	2500
AT THE TIME OF ADMISSION				
1	Admission Fee	One Time	At the time of Admission	50000
2	Transport Development Charges (Only for those opting for School Bus facility)	One Time	At the time of Admission	5000
TUITION FEES*				
1	Classes Pre-Nursery to Prep.	Monthly	Payable every month from April onwards.	4400
2	Classes I to V	Monthly	Payable every month from April onwards.	4400
3	Classes VI to VIII	Monthly	Payable every month from April onwards.	4400
OTHER CHARGES				
1	Activity Charges	Annual	Payable in April (and every subsequent year)	2400
2	Annual Tech., ERP & Cogniax App Charges	Annual	Payable in April (and every subsequent year)	2400
3.	Robotics & Innovation Lab Charges	Annual	Payable in April (and every subsequent year)	1600
4.	Annual Miscellaneous Charges	Annual	Payable in September (And every subsequent year)	6500
5.	Transport Fees*	Monthly	Payable every month from April onwards.	2200
6.	Swimming Pool Charges	Annual	Payable in April (and every subsequent year)	2000

- The admission fee is payable online or by crossed cheque/demand draft at the School Administrative Office only.
- Registration and admission fees paid for a particular year are neither refundable nor transferable to any other year.
- The school's Board of Management may revise the annual fee at its discretion.
- The transport fee is subject to change in line with prevailing fuel prices.

THE CURRICULUM

Aligned with the National Education Policy (NEP) 2020

At DPS Deoghar, our curriculum integrates academic rigour with experiential learning, creativity and holistic development. Guided by the National Education Policy (NEP) 2020 and the CBSE curriculum framework, our educational approach emphasises conceptual understanding, competency-based learning and the development of essential 21st-century skills.

Learning stages offered at DPS Deoghar (5+3+3+4 Learning Framework)

Early Years and Foundational Learning (Ages 3–8 | Pre-school to Class II)

Focuses on early childhood care and education through play-based, activity-based and discovery-oriented learning. It develops foundational literacy, numeracy, communication, motor skills and socio-emotional competencies.

Preparatory Stage (Ages 8–11 | Classes III–V)

Builds upon foundational learning through interactive classroom experiences, experiential activities and the gradual introduction of subject-based learning. Emphasis is placed on language proficiency, mathematical understanding, creativity and scientific curiosity.

Middle Stage (Ages 11–14 | Classes VI–VIII)

Introduces deeper subject-based learning through experiential activities, interdisciplinary projects and inquiry-based approaches. Students develop analytical reasoning, critical thinking, digital literacy and problem-solving abilities.

Our Approach to Learning

In keeping with the NEP, our approach emphasises:

- conceptual understanding and critical thinking rather than rote learning;
- experiential, art-integrated and sports-integrated learning;
- competency-based assessment and a holistic, 360-degree progress report that reflects each child's cognitive, socio-emotional and physical development;
- multilingualism, with due emphasis on the mother tongue, Hindi and English, alongside Sanskrit and foreign languages;
- early exposure to vocational education, coding, robotics and AI;
- life skills, values, health and well-being as integral parts of the curriculum; and

EARLY YEARS & FOUNDATIONAL LEARNING

Academic & Emotional Development

The early years of a child's life lay the foundation for lifelong learning and development.

Our Nursery Programme is designed to build a strong foundation for every child's future academic, social and emotional well-being. We create a learning environment that supports every learner and enables them to realise their inherent potential.

The programme develops children's language, literacy, numeracy, emotional well-being, universal values and creative skills.

We continually adopt the latest and most effective approaches to teaching and learning. Our Montessori Lab curriculum adds significant value to our teaching methodology and strengthens our position as a leader in early education.

Montessori Lab

The Montessori Lab, now an integral part of our school, offers a dynamic, hands-on learning environment that supports the Montessori philosophy of child-centred education. Rooted in the principles of independence, exploration, and respect for a child's natural development, this space encourages students to engage deeply with self-directed learning. The lab is designed to cater to various age groups and developmental stages, offering tailored materials that spark curiosity and foster critical thinking.

AI and LEGO Innovation Labs

Our AI and LEGO Innovation Lab brings STEAM to life through hands-on, project-based learning. Using LEGO Education building and robotics kits, students design, build and program their own models, turning abstract concepts into tangible creations. Guided by LEGO-certified teachers, they progress from simple building and sequencing activities in the early years to coding, robotics, and the fundamentals of Artificial Intelligence in the higher classes.

The labs are modern, purpose-built spaces designed for collaboration and creativity. Their key features include:

Collaborative Workstations: Flexible, modular workstations that allow students to work in teams on design challenges and projects.

Robotics and Building Kits: A wide range of LEGO Education kits with motors, sensors and programmable hubs, suited to different age groups.

Coding and AI Platforms: Computers and tablets with age-appropriate, block-based and text-based coding software that introduces students to programming logic, machine learning, and AI concepts.

Project Showcase Area: Dedicated space to display student creations and celebrate innovation.

Through these labs, students develop critical thinking, problem-solving, creativity, communication and teamwork- the essential skills of the 21st century. The labs also prepare students for inter-school, national and international robotics and innovation competitions.

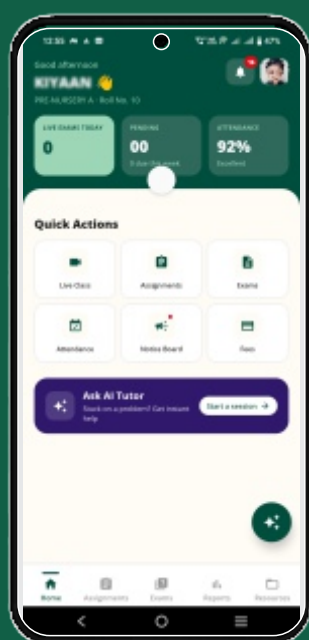

Cognia.AI — Smarter Learning, Greater Confidence

At Delhi Public School, Deoghar, Cognia.AI enhances classroom teaching through CBSE-aligned, AI-powered learning support and seamless digital connectivity among students, teachers and parents.

Key Features and Benefits

1. **AI Learning Assistant:** An intelligent AI tutor helps students understand concepts, resolve doubts, practise questions and learn independently under teacher guidance.
2. **Smart Exam Preparation:** AI-generated worksheets, guided revision, practice questions and mock tests strengthen conceptual understanding and examination readiness.
3. **Online Classes and Assessments:** Facilitates online classes, assignments, quizzes, tests and live examinations with timely feedback and progress tracking.
4. **Video-Based Assignments:** Encourage students to explain concepts in their own words, building communication, public speaking, creativity, and confidence.
5. **Digital Learning Resources:** Provides convenient access to study materials, worksheets, timetables, homework, activities and project-based assignments.
6. **Instant School Updates:** Ensures timely communication through circulars, announcements, attendance updates, fee-related information, reminders and notifications.
7. **Connected Parents:** Enables parents to monitor their child's academic progress, assignments and assessments, fostering stronger school–parent collaboration.

Cognia.AI — Learn Smarter. Stay Connected. Achieve More.

Cognia.ai

THE CURRICULUM

Art Education: Visual and Performing Arts

Enhancing Skills

Many skills essential to a child's holistic development are nurtured beyond the classroom. At DPS Deoghar, Art-Integrated Learning (AIL) enriches teaching across subjects, while Art Education and Health & Physical Education (HPE), provide opportunities for creativity, fitness and well-being. Age appropriate activities encourage students to explore their interests and develop their abilities.

Performing Arts

This module helps students discover and nurture their creativity. Participation in the performing arts builds discipline and provides a valuable medium for self-expression.

Music: *Guitar, Tabla, Keyboard, Harmonium, Vocal Music, Flute*

Dance: *Indian Classical, Western*

Creative Interests

Pursuing hobbies is an excellent way to enrich one's personality and discover hidden talents. The wide range of activities in this module ensures that every child finds something to enjoy.

Calligraphy, Clay Modelling, Drawing, Gardening, Origami, Painting, Pottery

Sports and Games

This module develops students' athletic abilities and instils a spirit of healthy competition and teamwork. Qualified trainers and coaches monitor each child's progress to help them learn and excel in a variety of sports and games.

Outdoor: *Athletics, Swimming, Cricket, Football, Volleyball, Kho-Kho*

Indoor: *Badminton, Basketball, Chess, Table Tennis*

Physical Education: *Aerobics, Martial Arts, Yoga*

Personality Development

Strong interpersonal and communication skills are essential in today's competitive world, and they are best developed early. The activities in this module prepare students to handle social and professional situations with confidence.

Debate, Elocution, Etiquette, Presentation Skills, Public Speaking, Reading, Spelling Bee, Mono-Acting

Other Initiatives

Beyond acquiring knowledge, children must grow into responsible adults. This module encourages students to consider the needs of others and to engage in selfless service to the community.

Community Service, Environmental Protection, Library Assistance, News Board Management, School Magazine

COURSES OF STUDY

Primary Classes

Classes I & II: English, Hindi, EVS, Mathematics, G.K., STEAM, ICT, Art Education, and Physical Education & Well-Being.

Classes III, IV & V: English, Hindi, Mathematics, Science, Social Science, G.K., CT & AI, STEAM, ICT, Art Education, and Physical Education & Well-Being.

Middle School Classes

Classes VI & VII: English, Hindi, Mathematics, Sanskrit, Science, Social Science, ICT, Robotics, Kaushal Bodh, CT & AI, Art Education, and Physical Education & Well-Being.

Class VIII: English, Hindi, Mathematics, Sanskrit/German, Science, Social Science, ICT, Robotics, Kaushal Bodh, CT & AI, Art Education, and Physical Education & Well-Being.

THE DPS DEOGHAR ADVANTAGE

Choosing the right school is one of the most important decisions parents make for their child's future. At DPS Deoghar, we are committed to nurturing every learner into a confident, compassionate and capable individual, ready to take on the world.

Early Childhood Development & Education (ECDE)

The early years are the most formative in a child's life. Drawing on extensive research, our educators have developed learning methods and activities that set the standard in early childhood education.

Grow as an Individual.

School is where children first develop a sense of individuality. DPS Deoghar provides an environment in which every child can explore their unique abilities and limitless potential.

Self-Reliance

We help children learn to manage everyday tasks independently, from eating and drinking to communicating with others.

Learning How to Learn

In a world where knowledge evolves faster than ever, the most valuable skill a child can acquire is the ability to learn independently. At DPS Deoghar, we look beyond memorisation and nurture curiosity, reflection and the confidence to ask questions. Through enquiry-based lessons, hands-on projects, and real-life problem-solving, students learn to find information, think critically, connect ideas, and apply what they know in new situations.

We also encourage children to set goals, manage their time, learn from mistakes and persevere when faced with challenges. These habits make them adaptable, self-reliant and resilient, prepared not only for examinations but for the uncertainties of life. In essence, we nurture true 21st-century learners who will continue to learn, unlearn and grow throughout their lives.

From Foundation to Future

With a seamless academic journey from Early Childhood Education to Secondary Education, DPS Deoghar ensures continuity, consistency and excellence at every stage.

Peer Interaction

Interactive, participative activities help children develop strong interpersonal skills, and our innovative curriculum supports each child's all-round development.

DPS Educational Legacy

DPS students consistently excel in academics, sports and the creative arts, making DPS Deoghar one of the most respected educational institutions in the region.

SCHOOL FACILITIES

Designed for Learning

Our facilities have been thoughtfully planned to give learners every advantage and to equip teachers with a full range of teaching methods. They cater to all types of learners and help students build the skills they need for responsible citizenship, personal well-being and success in a rapidly changing world.

Dedicated, trained staff manage the school's transport services. Experienced personnel oversee campus security, supported by CCTV cameras and a facial-recognition attendance system. The school conducts regular safety audits and follows a robust Child Protection Policy.

Our dedicated school app keeps parents informed about classroom activities, their child's school records and important announcements, giving them instant access to all relevant information.

Sport and physical fitness are central to life at DPS Deoghar. The campus features a huge playground, a dedicated indoor badminton facility, a basketball court, a half-Olympic-size swimming pool and a range of other courts and arenas, giving every student ample space to play, train and compete at the highest level.

Salient Features of DPS Deoghar

Technology Integration and Paperless Administration

Digital Classrooms with Public Address System: All classrooms in the Primary and Middle Wings are digital classrooms equipped with smart boards, and teachers use innovative audio-visual content to enrich everyday teaching. All classrooms and activity rooms are fitted with a public address system, allowing the Central Console Room to relay important announcements to students and staff.

CCTV Surveillance: The campus is under CCTV surveillance, with more than 150 cameras installed across the premises and in school vehicles. Dedicated staff monitor the CCTV network.

GPS, Speed Governors and Cameras in Buses: The school operates a fleet of vehicles, all fitted with cameras, speed governors and GPS tracking.

Wi-Fi Campus: The campus is Wi-Fi enabled.

Academic Blocks: The school has 60 rooms, including classrooms, laboratories, activity rooms, staff rooms and coordinators' rooms. Separate washrooms for boys and girls, maintained by dedicated housekeeping staff, and RO drinking-water stations are available. The blocks feature spacious open areas, wide corridors and well-ventilated classrooms.

Computer Lab: A state-of-the-art computer lab equipped with the latest technology and high-speed internet.

Science Laboratories: Well-equipped Physics, Chemistry and Biology laboratories enable students to learn through experimentation and observation, in keeping with CBSE practical requirements.

Mathematics Lab: A dedicated Mathematics Lab with models and manipulatives helps students understand concepts visually and practically.

Library: A well-stocked library with e-library facilities offers rich and diverse reading resources for all ages, and its collections are updated regularly.

Expansive Playground: A well-maintained playground supports athletics, cricket, football, assemblies, Sports Day and major school events.

Basketball Court: A well-marked, full-size basketball court supports regular practice, coaching and inter-house and inter-school tournaments.

Indoor Games Room: A dedicated space for chess, table tennis and other indoor games that build concentration, strategy and sportsmanship.

Martial Arts and Yoga Hall: A spacious hall for yoga, taekwondo, boxing and aerobics, promoting fitness, discipline and well-being.

Infirmary: The well-equipped infirmary is staffed by a trained nurse who attends to injuries and medical emergencies.

Counselling Cell: Trained counsellors support students' emotional well-being and guide them on academic, personal and career matters.

Kids' Activity Area: The Pre-Primary Wing has a dedicated play area with battery-operated cars, bikes and other life-size toys for young children to enjoy.

Play Station: An attractively designed play station is available to Primary Wing students during leisure and sports periods.

Activity Rooms: The school has an Art and Craft room, vocal music room, dance studio, instrument room and theatre space, where qualified teachers train students.

AI and Innovation Lab: A dedicated lab offers LEGO Education robotics kits, programmable sensors, coding software and interactive displays. Students develop design, programming and teamwork skills through guided projects.
